

Announcement for MADRID Virtual Conference Exchange 2021

Dear Vascodagamians,

We would like to invite you to participate in the first Virtual Conference Exchange in Madrid on MARCH 24, 2021.

Conference Exchange information:

Primary care exchange:

We would be able to observe 3 different Primary Health Care Consultations on a Virtual Conference Exchange that will take place on the 24th of March 2021 from 10:30 am to 13:30 pm. (See program)

Conference:

Free assistance to the XXII Residents' Conference and III Conference of Young Family Doctors of SoMaMFyC that will be celebrated the 25th of March 2021.

Languages: the main activities will be held in Spanish with an interesting workshop about Inequities which would be in English.

FREE registration to the congress.

All candidates that participate in both activities are requested to participate in the abstract submission contest, sending summaries to the scientific committee speaking about a clinical case of their election. Free choice of language (English or Spanish). The best abstracts will be selected for an oral presentation.

For those participants that only participate in the virtual exchange the abstract submission is not mandatory.

Social program:

During the conference we will be able to know the most important places of Madrid, as well as to share experiences

about our daily practice during the coffee shop and social meeting.

There are 9 places available for this Virtual Conference+Congress and 15 places available for only the Virtual Conference Exchange.

Selection will be:

- The candidate needs a good knowledge (upper intermediate spoken level and of auditory comprehension) of English or Spanish.
- To be elected the candidates will have to commit to play an active role in the exchange program and be willing to share the experiences in their country of work.
- One person per country. Second and third candidates from the same country will be chosen from the countries with the largest number of applicants.
- The activity of the applicant in the work of VdGM and the commitment to our movement will be taken into consideration.
- It will also aim to give more opportunities to applicants who had not previously participated in an exchange.

Note:

- The purpose of this Virtual Conference to know the Spanish health system, taking advantage of the opportunity to open up to different ways of living, working and doing medicine, breaking down the barriers of ignorance of different cultures and beliefs, share our experiences and points of view and enjoying the spirit of union and friendship.
- The participation in this exchange will not be an impediment to the participants to take part in future Conferences.

You can send a motivation letter and a curriculum vitae to your National Exchange Coordinator

Deadline for application is February 27th, 2021 if you decide to participate both in the Virtual Conference and the Congress; March 21th, 2021 if you decide just to take part in the Virtual Conference

Hope to see you soon!

Rocío García-Gutiérrez Gómez, Ana Peral Martín, Raisa Álvarez Paniagua and Miriam Rey Seoane on behalf of the Madrid CE Organizing Committee.
